

Meeting Notes - 17 September 2015

Meeting: Hussein, Craig and Darryl

- Need an intermediate evaluation during next week (Week of 21 Sept)
- Feedback is required from users and forms part of the iterative process
- Need 5 users
- Need and evaluation plan:
 - Users?
 - Testing? (what types of testing)
 - Evaluation?
- Tests:
 - User acceptance tests (final NRF demo), to be run online so the NRF can evaluate from Pretoria.
 - Integration tests.
 - Use some real data
 - Need to write to Lazarus soon.
- Write a separate README (including user manual and install instructions)
- Next demo to Hussein: 29 September at 9am.
