

Meeting Notes - 31 March 2015

Meeting: Lazarus (from the NRF), Darryl and Craig

- NETD portal - web portal
- Allow Uni to upload to DSpace directly
- Currently have to retype submissions, can't copy paste
- Future goal: migrate "completed" data to NETD
- Migrate both "current" and "completed"
- Allow filter by Masters or Doctorate
- Allow NRF to approve Uni submissions
- Current DB: Stardata - connection is via Telnet
- Each Uni has a unique ID
- Communities -> uni -> masters or doctorate
- UCT only allow to submit to UCT collection
