

Meeting Minutes – 2016/05/16

- Structure of project proposal is fine
- Lacking:
 - Mock-up design of user interface
- Architecture design – Good
- Gantt Chart – Good
- Risk Table – Good
- Users are general public – Add to required resources
- CSS Content -> Not required: Remove
- Saleem still needs to add research question, currently has two ideas
- Michael and Marcel's research questions -> Leave it as is
- When citing multiple references put comma inside `\cite{ref1,ref2}`
- Change apostrophes in LaTeX

Access to the website:

- 9am 17 May 2016

Verbal Presentation

- Next week Wednesday

Don't need to choose whether it's a research or software

Can be a hybrid of software engineering or research project

Need to know which Agile Methodology we are using?

- Rapid prototyping
- Contact Francois on Gmail address for project related queries.
